Termination of Power Purchase Agreement (PPA) of Narsingdi 22 MW Power Plant

Refer to the earlier news disseminated by the company dated 18 February 2024 where the company have informed to all concern that Bangladesh Rural Electrification Board (BREB) had given its consent to continue operation of “Narsingdi 22 MW Power Plant” as per the terms and conditions and tariff schedule of existing Power Purchase Agreement (PPA) until the new PPA is signed for next five years after negotiation with “No Electricity No Payment” Basis.

But unfortunately, we have received a PPA cancellation letter today from BREB with reference no. 27.12.0000.178.07.202.25-278 dated 11 March 2025 i.e. BREB is not interested to renew the PPA further.

This information will also be available in the website of the Company at www.doreenpower.com

By order of the Board
